 Next, what's the best email address we can use to reach you in case...
Regex
New step
Customer starts with:
Enter phrases that a customer types or says to start the conversation about a specific topic. These phrases determine the task, problem, or question your customer has.
The more phrases you enter, the better your assistant can recognize what the customer wants.
Enter phrases your customer might use to start this
Total: 50
Enter a phrase
Can I speak to a human please?
Can I connect to an agent?
Call agent
A real agent, please.
Preview
Greet customer [default]
Welcome, how can I assist you?
hi
Connect to a live agent recognized
I'd be happy to connect you to an agent.
Before we get started, I need to collect some basic information. First up, what's your first name?
